### **In The Gutter**

A New Photography Book from David Lykes Keenan

BROOKLYN, NEW YORK -- David Lykes Keenan, award-winning street photographer based in Austin and Brooklyn, announces the availability of his first book of photographs entitled "In The Gutter".

His mentor, Eli Reed of Magnum Photos, says of Keenan, "There is a grand tradition [of street photography] and Dave has upped the ante. When I think about Gary Winogrand or Lee Friedlander and the kind of things they did, it's like that, Dave's stuff is, but it's more today."

"In The Gutter" is presented in a square format, consisting of 13 black & white photographs that span 32 pages. The publication is available in an 8x8" softcover open edition and a 12x12" hardcover limited edition. "In The Gutter" intentionally violates one of the taboos of a photo book which is to have photographs that run through the gutter area between pages. Keenan, however, exploits this unorthodox layout for creative effect.

"In The Gutter" is currently available directly from Keenan's web site, [www.dlkphotography.com/gutter](http://www.dlkphotography.com/gutter). Each softcover book is signed and may include a personalized greeting. The hardcover book is a limited edition of 20, signed and numbered, and comes with a 6x9" companion print.

The softcover edition sells for \$19.95 including postage to any address in the U.S. or Canada. International postage is an additional \$7. The limited edition hardcover and print sell for \$95 including postage.

Keenan photographs on the streets of some of the world's most bustling cities including New York, Prague and Chicago. Other than Reed, he has studied under some of the most iconic names in contemporary photography including David Alan Harvey, Maggie Steber, Mary Ellen Mark, Bruce Gilden and Elliott Erwitt.

For more information, contact Keenan directly by e-mail or call 512-797-6389. Review copies of "In The Gutter" are available for selected media outlets upon request.
